

**Interview summary**

On Thursday, October 16, 2008, the Examiner and Applicant's representatives met for an interview to discuss three pending, related files, including this application. The three applications discussed during the interview bear application numbers 10/811,367; 10/811,439; and 10/810,910. Topics of discussion included the pending claims in each case and U.S. Patent No. 7,106,936 to Wilkinson et al. The applicants would like to thank the Examiner for her hospitality and courtesy during the interview.
